

Well Happy New Year Everyone...

It's hard to believe another year has passed and a new one has begun.
I hope everyone's dreams and wishes come true in 2023.

I have something special to celebrate this year...

March 2023 will be my 30th Year of Doing what I "LOVE"...Teach Line Dancing.

I truly feel so lucky that I have been able to do what I love and that I have met so many amazing people that I call friends.

I know what you're thinking ... I must have started when I was a baby...right...lol

So I thought This is A GREAT time to Throw a Party...

So Save the Date "Sunday Afternoon March 12th 2023"

Burlington Legion... More Details To Follow

With the New Year starting I thought we would try a NEW Schedule.

(We will give this a try and if it doesn't work we will go back to the old one)

Please Note When You Come The Price Is For The Full Day, so you are welcome to stay as long as you like... But I WILL TEACH at the LEVELS Listed... So PLEASE respect the levels. If it's a BEGINNERS CLASS please DO NOT add variations in dances when the beginners are learning their dance ... As Well if It's an INTERMEDIATE CLASS do not jump on the floor if you don't know the dance.
It can be very confusing for ALL LEVELS OF DANCERS when you have spent time learning a dance and someone just comes in and jumps on the floor without knowing what they're doing...

WEDNESDAY CLASSES

Looking forward to another great year of dancing!!!
