

I cannot believe Christmas is 1 week from today...

Christmas Potluck Goodies Party

Everyone Welcome

I will bring some Hot Apple Cider & if you like you can bring something for the goodie table for everyone to share.

I will go over all levels of dances that we have done... So it will be nice to be able to mingle with everyone and meet new people...

Next week Monday Dec. 26th we will be CLOSED

Wednesday Dec. 28th will be CLOSED

Thursday Dec. 29th we "WILL" Be Dancing "YIPPY"

The Question is if the Hall is available during the day on this Thursday Dec. 29th would everyone rather dance in the day instead of the evening or stick with the evening?

I thought we could do a "Dance Day" with maybe a "QUICK" Walk Through for a few dances, not all of them...

"All Requests" *** but they need to be dances that the majority of the dancers will know. Let me know what your thoughts are either way please...

THEN BACK TO REGULAR SCHEDULE JAN. 2ND.

Wishing Everyone a Very Merry Christmas and A Happy, Healthy New Year, and of course a year with lots of **DANCING.**

See you on the Dance Floor
